

# 100ft Hook and Loop Roll

CR-100 Sales Sheet

CR12-100

CR01-100

Keep cables organized and installations looking professional with this hook and loop cable management toll. Available in 0.5in and 1in widths, each roll provides 100ft of reusable hook-and-loop material that can be cut to the exact length needed. Constructed with durable double-sided nylon fibers, it’s ideal for bundling AV, networking, electrical, and low-voltage cables while allowing quick adjustments as systems change.

- Available in 0.5in and 1in widths
- 100ft continuous roll
- Cut to the exact length for a customized fit
- Reusable hook and loop design
- Durable double-sided nylon construction
- RoHS and CE compliant

| Part                     | Width | Length | Color |
